

Two Legion Nines in Showdown

Torrance's two American Legion teams, tied with 8-2 records for the league's leadership, will meet at Torrance Park Saturday at noon in a cross-town tussle for the lead.

The Torrance Legion, who dropped their second game of the season Saturday in a 5-4 loss to Lomita, will face the hot South Torrance Legion team.

Torrance came back after the Lomita loss on Saturday and took El Segundo, 12-8, to stay in contention. Torrance had a 7-3 lead going into the last of the eighth inning when

El Segundo scored five runs on two hits to take an 8-7 lead.

The locals came back in the top of the ninth inning with

five runs, four of them the result of a grand-slam homer by Bob Trevathan.

Adding strong bats to the fray were Bob Wallace, Jerry Colen, and Jim Carico.

Torrance Roller Skaters Win State Speed Titles

Bringing home trophies continues to be the major activity of the Harker family, who are faced with either building an addition on their home at 4331 Sharyanne to house the hundreds of awards the family have won in their diversified competition, or stop winning these events.

Mother and Dad Harker, Pat and Curly, race motorcycles and speed boats to add to the collection of medals, cups and trophies while Mike, 14, is the water skier and Casey, 8, and Kelly, 11, are roller skaters.

This makes up the Harker family with the latter two bringing home championship trophies from Oakland June 29 where they won the speed titles in their age classifications. Both attend Seaside elementary school.

Casey has eight trophies and 10 medals in her collection and Kelly has seven trophies and six medals in his. Their

victories have earned them the right to compete in the 1961 American Amateur Roller Skating Championships to be held July 22 through 29 in the Fort Worth Memorial Coliseum if the pair can finance their trip to Texas.

The roller skating championships are pondering their problem of getting to the Na-

tional meet and would like to know if there is an organization in Torrance that has a fund to help youngsters finance such trips.

Casey and Kelly both plan to make professional careers of roller skating and Kelly added, "We will even skate together in exhibitions—when we are older, that is."
